

Avaya Huddle Cameras HC020 / HC050

Simple, Powerful Conferencing Experience

Avaya provides High Definition (HD) video conferencing room systems that incorporate the latest state-of-the-art video technology with capabilities mandatory for today's room system deployments.

Avaya Huddle Cameras HC020 / HC050 are the latest additions of cameras for Huddle Rooms that can be used on XT as first or additional cameras. Users can enjoy full control directly from XT Room System through Remote Control, Scopia Control, Web Interface, APIs and so on.

The huddle cameras are great for enabling all of your small to medium meeting rooms and spaces, delivering utility, security, and an exceptional experience for training, brainstorming, team and customer meetings with a personal connection. The ease of installation and use make them ideal for individual workgroups, small to mid-size businesses, or complementing an enterprise collaboration deployment.

-  **Huddle room**
audio/video conferencing
-  **1080p30 resolution**
-  **8x digital zoom (EPTZ)**
-  **105° horizontal field of view**
- USB**
(camera max 3m distance from codec, camera powered from codec)

Avaya Huddle Camera HC020

Suitable as first or second camera of all the products of XT Series, or as laptop camera for the Avaya Equinox® Client. It is a full HD USB fixed camera, leveraging the quality of a UltraHD 4K sensor to provide a high quality 1080p30 video signal, with digital Pan Tilt Zoom (1080p resolution up to 2x zoom, 720p @3x zoom), and the option to send uncompressed signal on HDMI. There is an option to include 1-way POD microphone for small rooms.

Microphone Included

-  **Audio/video conferencing in small/medium rooms**
-  **1080p30 resolution**
-  **PTZ – 12x optical zoom**
-  **72° horizontal field of view**
- USB**
(camera max 3m distance from codec, and camera power required)

Avaya Huddle Camera HC050

Suitable as first or second camera of all the products of XT Series, or as laptop camera for the Avaya Equinox® Client. It is a full HD Pan Tilt Zoom USB camera, with 1080p30 video signal and optical zoom 12x. A perfect solution for small and medium rooms. There is an option to include 1-way POD microphone for small rooms and 3-way POD microphone for medium rooms.

Microphone Included
